

Diesel & Vehicle Group :

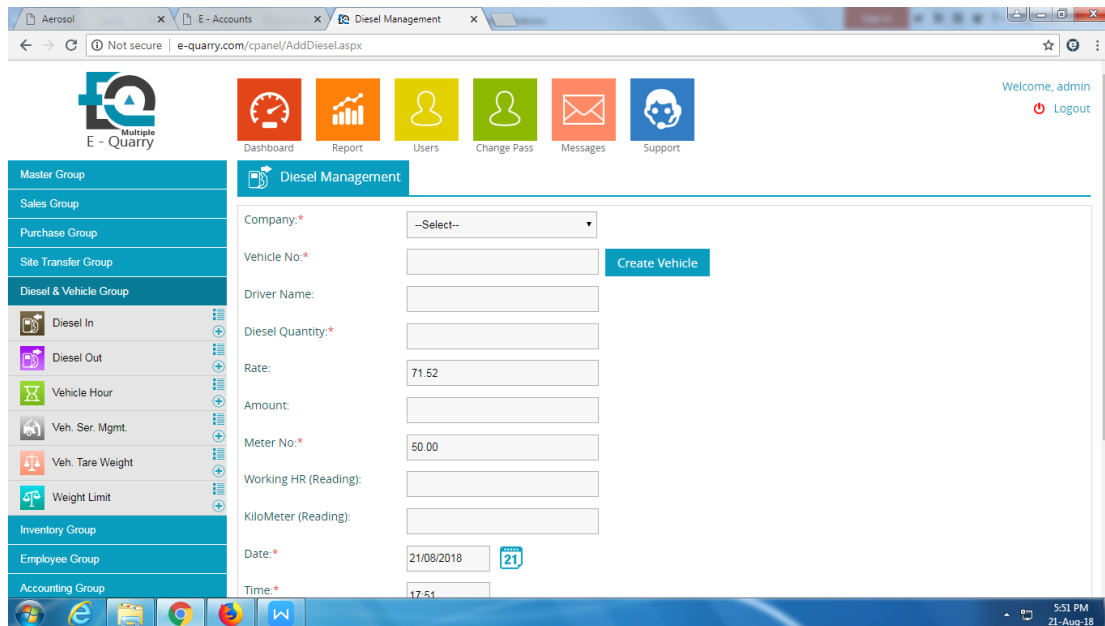

Diesel Out :

The screenshot shows a web browser window with the URL `e-quarry.com/cpanel/DieselList.aspx`. The page title is "Diesel Out Management". The interface includes a navigation menu on the left with categories like Master Group, Sales Group, Purchase Group, Site Transfer Group, Diesel & Vehicle Group, Inventory Group, Employee Group, and Accounting Group. Under Diesel & Vehicle Group, "Diesel Out" is selected. The main content area features a "Diesel Out Management" header with search filters for "From Date" and "To Date" (both set to DD/MM/YYYY 21) and a "Search" button. Below the filters is a table with columns: Vehicle No, Diesel Quantity (in Ltr.), Meter No, Working Hour, KiloMeter, Date, User Name, and Edit. The table contains 12 rows of data. At the top right of the table area are "Create" and "Delete" buttons. The Windows taskbar at the bottom shows the time as 5:47 PM on 21-Aug-18.
