Mobile : 9712247147, 9727713289

Email : jayesh@aerosol.io
parth@aerosol.io

Step 1 - Login Page

Driver enters his Username and Password to login

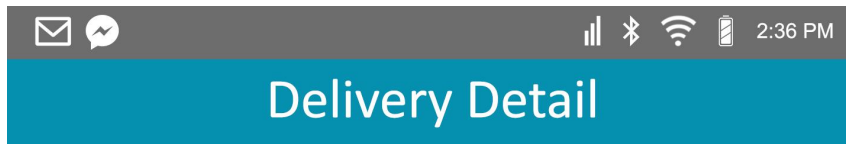

The image shows a mobile application interface for a driver login. At the top, there is a dark grey status bar with icons for email, messages, cellular signal, Bluetooth, Wi-Fi, battery, and the time 2:36 PM. Below the status bar is the application logo, which consists of a blue circular arrow pointing right, a grey dashed line, and the word "TRANSPORT" in blue. Below the logo is the tagline "Empowering Transportation" in white on a grey background, and "For Driver" in blue. The main content area has a teal background with a white diagonal line. In the top right corner of this area, it says "Version : 1.0.0". The word "Login" is written in white. Below it are two white input fields with rounded corners, labeled "Username" and "Password". At the bottom is a white button with rounded corners labeled "Login".

Version : 1.0.0

Login

Step 2 - Driver enters Branch Code and LR no to fetch all details then Capture the image of received LR and Click Submit to approve the POD

Branch Code LR No. GO

LR _____

Consinee name _____

Consignor name _____

Total Package _____

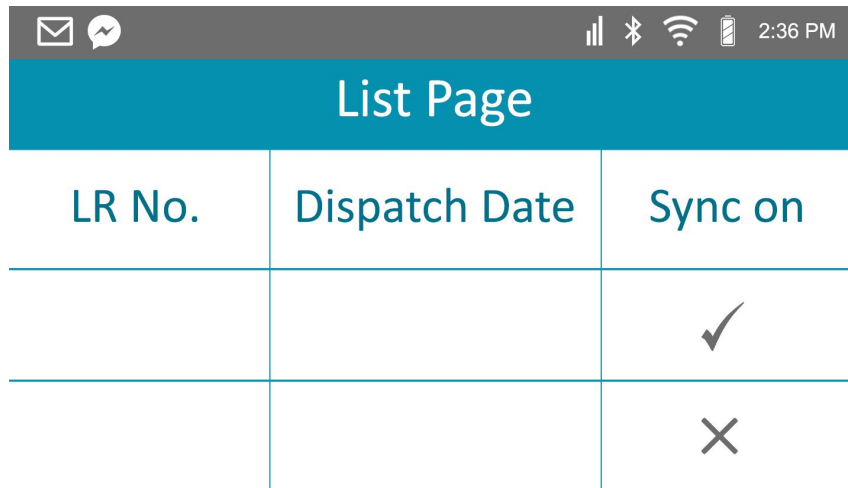

Total weight _____

Capture

Submit

Step 3 - Auto Sync of LR when Internet is available or have to manually click sync after coming in range of Internet if internet is not available.

The screenshot shows a mobile application interface. At the top, there is a status bar with icons for mail, messages, signal strength, Bluetooth, Wi-Fi, battery, and the time 2:36 PM. Below the status bar is a teal header with the text 'List Page'. Underneath the header is a table with three columns: 'LR No.', 'Dispatch Date', and 'Sync on'. The table has two data rows. The first row has a checkmark in the 'Sync on' column, and the second row has an 'X' in the 'Sync on' column.

LR No.	Dispatch Date	Sync on
